Executive Director's Message

Dear Members and Friends of the West Calcasieu Chamber of Commerce,

As we step into the promising year of 2025, I am filled with immense gratitude and pride. As the Executive Director over the past 10 years, our Chamber has experienced remarkable growth – an incredible 200% increase – and this achievement would not have been possible without the

unwavering support of our dedicated Board of Directors, our loyal members, and the vibrant community we serve.

This journey has been about more than the numbers. It has been about building relationships, fostering collaboration, and creating opportunities that empower local businesses. The progress we've made is a testament to what can be accomplished when we work together toward a shared vision.

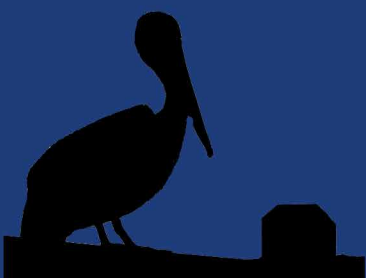

As we look to the future, I am excited about the opportunities ahead and remain committed to serving you with the same dedication and passion that has driven us this far. Together, we will continue to foster economic growth, support local businesses, and create a vibrant community for all.

The 2025 Membership Directory will spotlight the diverse talents and businesses that define our community. As your Executive Director, I am here to support and champion your endeavors. Let us seize the opportunities that lie ahead and continue building a resilient and prosperous West Calcasieu community together.

Thank you for being an integral part of our Chamber, and I look forward to a year of shared success and growth.

Warm regards,
Lena McArthur

Chairman's Message

I am truly honored and humbled to accept for the second time, to be Chairman of the Board for the West Calcasieu Chamber of Commerce. The first time was in 2015 - I have remained active in various roles these last 10 years and

have been blessed to see and be a part of the growth, collaborations and shared success. Together, we have faced challenges with resilience, embraced opportunities with innovation and worked tirelessly to support our businesses and strengthen not only our organization but our wonderful communities as well.

As I look ahead to this next term, my commitment remains steadfast. We will continue to champion initiatives that foster economic growth, empower and ensure that every member has the resources and connections they need to thrive.

Collaborations will remain at the heart of our efforts because together, we are stronger.

Thank you for your confidence and support, I am excited for what we will achieve TOGETHER!

Here's to another year of progress and prosperity for all.

In kindest regards,
Jody Tyler

Incoming Chairman's Message

I am honored to accept the role of chair-elect for the West Cal Chamber of Commerce. I have enjoyed being an active member of the chamber for the last 3 years, and I'm grateful to be stepping in to this position and expanding my function.

Connecting businesses with each other and with our government leaders is critical to the success of any community, and our Chamber fosters that. Participation in open houses to welcome new businesses, getting involved with younger people soon to enter the workforce, and morning meet and greet coffees with our local business and city leaders are just some paths the Chamber takes to accomplish this goal. Our Chamber of Commerce has seen a recent increase in the number of businesses participating in the Chamber. Lena and the board have continued to work very hard to grow Chamber participation. As I begin this new role in the chamber, one of my objectives is to help with the continued growth of membership, but also to increase the number of businesses operating in the West Cal area. We have so many new businesses coming to Calcasieu and Cameron areas - why not help them open their doors in the West Cal area, too? I'm excited and enthusiastic about the future of our organization and our community. Let's grow together.

In kind regards,
Jerry Pierrottie

CHAMBER FEST'S

Fourth Year

The West Cal Chamber brought back Chamber Fest for its fourth year on Saturday, April 27, 2024, at Pinederosa Park in Westlake. Chamber Fest is a business expo with a festival twist providing our members with opportunities to promote their businesses and receive the exposure they deserve.

The local festival featured fun for the whole family with Senior Bingo, Show & Shine Car Show, Food Trucks, Vendor Booths, and Live Entertainment by Local Youth Talent, Westlake High School Choir, Louisiana Scramble, and Doc Wilder. The WCCC also partnered with Recreation District One, Ward Four bringing buddy ball to the festival this year. Chamber Fest was a great success and a fun way to bring our members and the community together. We look forward to next year's Chamber Fest on Saturday, April 26, 2025!

Thank you to the title sponsor
of the 2024 Chamber Fest!

The West Cal Chamber hosted the 3rd Annual Bob Hardey Memorial Golf Tournament as a stand-alone event for the first time on Friday, October 4, 2024, at The National Golf Club of Louisiana in Westlake. The annual golf tournament pays tribute to the late Bob Hardey, former Mayor of the City of Westlake, and a portion of the proceeds from this event goes to the Westlake High School Athletic Department.

This year's tournament was above and beyond any tournament we've had in the past, with 23 teams playing. The Chamber would like to thank all the teams participating in the tournament and our Master Level sponsors – Meyer & Associates, Inc., Lotte Chemical USA, and the City of Westlake. History of Calcasieu Parish

Calcasieu Parish was created March 24, 1840, from the parish of St. Landry, one of the original 19 civil parishes established by the Louisiana Legislative in 1807

The river from which the parish derives its name is shown on some older maps as “Bayou Quelqueshue” and sometimes as Calcasieu. Calcasieu, which means “crying eagle”, is said to have been the name of an Atakapa chief who gave a peculiar cry like an eagle as he went into battle.

The parish’s early history hails back to the Spanish occupation of Louisiana. In 1797, Jose’ M. Mora was granted a large tract of land between Rio Hondo and the Sabine River, known for years as the “Neutral Strip.” The strip of land, which had long been a bone of contention between Spain and the United States, was acquired by the U.S. by treaty in 1819, after Louisiana was ceded to the American government by France in 1803. The area became a refuge for “desperadoes from the eastern states” and for outlaws and “filibusters from Carolina, Georgia, and Mississippi.” Some time elapsed before settlers took up permanent claims. Among these early families we find the names of Ryan, Perkins, LeBleu, Devillier and Henderson. Acadians from the eastern parishes of Louisiana also emigrated to this area so that today the population is mixed, consisting of Creoles, Acadians, Americans and Indians.

On August 24, 1840, a half-dozen men met to organize as representatives for six wards that later became five parishes. Since there was no courthouse or public building, the meeting had to be held in a private dwelling, and the one chosen was the large, rough-hewed home of Arsene LeBleu near present-day Chloe. The first jury men who assembled that day were David Simmons, Alexander Hebert, Michel Pithon, Henry Moss, Rees Perkins, and Thomas M. Williams. They first elected officers and a parish clerk and decided upon a set of simple parliamentary rules which would give their president authority to keep their meetings orderly and progressive.

The parish boundary was reduced in 1870 when Cameron Parish was cut off from the south portion of Calcasieu. These limits remained until 1912, at which time it comprised an area of over 3,600 square miles and was the largest parish in the state, and for this reason it’s sometimes called “Imperial Calcasieu.” In 1912, the three parishes of Allen, Beauregard, and Jefferson Davis, with a total area of approximately 2,548 square miles, were cut off from the Parish of Calcasieu. These were the last parishes created in Louisiana.

Recreational Facilities in West Calcasieu

When it comes to recreational facilities, West Calcasieu is the top draw in the State of Louisiana. Highlighted by the Sulphur Parks and Recreation facilities, the City of Sulphur is host to the Louisiana High School Softball Tournament every year at the gorgeous Frasch Park/Pattison Complex that features 18 fields that can be used for baseball and softball.

In addition to hosting the State High School Softball Tournament, Frasch Park is host to the Dixie Boys World Series in addition to the Super World Series. Flanking Frasch Park is the Frasch Park Golf Course, a beautiful 18-hole golf course complete with driving range and putting greens.

If swimming is what you are looking for, you do not have to look any further than the SPAR Aquatic Center; a spacious arena that boasts a kiddie pool, as well as, an Olympic-sized pool among many recreational offerings. This venue has played host to the Louisiana High School state swim meet since 2006. The Aquatic Center also features two workout gyms, multiple basketball/volleyball courts, an upstairs track as well as racquetball/tennis courts. McMurry Park is also home to an ever-growing number of little league and high school complexes.

For rodeo fans, the West Calcasieu Arena & Events Center in Sulphur is home to some of the most exciting rodeos in the southeastern United States.

Further west, the parks and recreation in Vinton are home to soccer, football, baseball, softball and basketball arenas in addition to a swimming pool and tennis court.

To the east of Sulphur, Westlake District One has a very impressive array of facilities that host youth soccer, football, basketball and baseball games. They also have an open-air gymnasium, three closed gymnasiums, two pools, and three pavilions. The Westlake Recreation Complex contains weight rooms with an array of state-of-the-art equipment as well as free weights; a basketball court, walking track, and aerobics rooms. Conference rooms are also available at this impressive facility. The National Golf Course of Louisiana has soft pines and dramatic vistas that highlight renowned golf course architect Dave Bennett's 7,000-yard layout, featuring 14 lakes and 80 bunkers, and some of the area's largest and most challenging greens. Five sets of tees offer an equally fun and challenging round of golf for both recreational and accomplished players.

West Calcasieu Parish Culture

It can truly be said that southwest Louisiana has a culture like no other. There is something for everyone in our little corner of Louisiana. We are known the world over for our cuisine, especially our gumbo and crawfish.

Our seafood industry, along with marinas and boat launches, attract visitors from far and wide. Duck and geese hunters are drawn to West Calcasieu during the migratory season. Wooded areas offer great opportunities for deer, turkey, squirrel, rabbit and quail hunting.

But there's so much more to the West Calcasieu culture than hunting and fishing. The Creole Nature Trail Scenic Byway, located along Highway 27, heading south from Sulphur to Cameron Parish and back up to Lake Charles, offers sights and experiences not to be missed. Niblett's Bluff Park in Vinton, which dates back more than 200 years, offers fishing, camping, bird-watching and hiking, as well as a confederate reenactment held every spring. From recreation to education to our unmatched cuisine, West Calcasieu is the place to experience Louisiana, the Sportsman's Paradise.

Your journey. Your Cadence.

Life journeys and financial journeys often intersect. With no one defined path, we each determine our own. Saving for a car? Refinancing a home? We tend to do things our way and at our own pace.

At Cadence Bank, we help our customers bank that way too. Our goal is to listen first, ensuring we understand your individual needs. Then we can provide expert advice and solutions at every step of the journey.

That's what makes us your bank.
